Reviewer's report

Title: Experimental assessment of antidiarrheal and antisecretory activity of 80% methanolic leaf extract of Zehneria scabra in mice

Version: 4 Date: 31 October 2014

Reviewer: Md Masudur Rahman

Reviewer's report:

Major Compulsory Revisions
None

Minor Essential Revisions
- Add phytochemical reports, as for example, "Gypenoside is present" you can add in Introduction.

Discretionary Revisions
Correct some language: after oral administered, etc

Level of interest: An article of importance in its field

Quality of written English: Needs some language corrections before being published

Statistical review: Yes, but I do not feel adequately qualified to assess the statistics.
