Reviewer's report

Title: Differentiating Intraprofessional Attitudes toward Paradigms in Health Care Delivery among Chiropractic Factions: Results from a Randomly Sampled Survey

Version: 3 Date: 17 January 2014

Reviewer: Cheryl Hawk

Reviewer's report:

The revised manuscript appears to me to have successfully addressed the reviewers' suggestions, except that the word "Chiropractors" is still inappropriately capitalized in the first line of the Methods section of the abstract.

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:

I declare that I have no competing interests.
