Reviewer's report

Title: Complementary and alternative medicines (CAMs) and adherence to mental health medications

Version: 4 Date: 8 January 2014

Reviewer: Ursula Werneke

Reviewer's report:

Minor essential revision
p5 "traditional medication" change to "conventional medication; the term "traditional may be misleading.
Race/ancestry: I suggest to use "ethnicity" instead throughout.

Level of interest: An article of limited interest

Quality of written English: Acceptable

Statistical review: Yes, and I have assessed the statistics in my report.
