Reviewer's report

Title: Naturopaths practice behaviour: provision and access to information on complementary and alternative medicines

Version: 2 Date: 30 June 2005

Reviewer: Heather Boon

Reviewer's report:

General

--------------------------------------------------------------
Major Compulsory Revisions (that the author must respond to before a decision on publication can be reached)

--------------------------------------------------------------
Minor Essential Revisions (such as missing labels on figures, or the wrong use of a term, which the author can be trusted to correct)

It woudl be helpful to refer to the tables in the text so that the reader knows when/where additional information is available.

--------------------------------------------------------------
Discretionary Revisions (which the author can choose to ignore)

What next?: Accept after minor essential revisions

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: No

Declaration of competing interests:
