Reviewer's report

Title: Evaluation of wound healing activity of Allamanda cathartica L and Laurus nobilis L extracts on rats

Version: 4 Date: 14 March 2006

Reviewer: Suguna Lonchin

Reviewer's report:

General
The paper entitled 'Evaluation of wound healing activity of Allamanda cathartica L and Laurus nobilis L extracts on rats' Ref.No. 1960926534903543, can be accepted for publication. The authors have made all corrections mentioned as comments. A small correction in Table 2 is noted. Allamanda is not italized. This could be corrected and accepted.

--------------------------------------------------------------------------------

Major Compulsory Revisions (that the author must respond to before a decision on publication can be reached)

--------------------------------------------------------------------------------

Minor Essential Revisions (such as missing labels on figures, or the wrong use of a term, which the author can be trusted to correct)

--------------------------------------------------------------------------------

Discretionary Revisions (which the author can choose to ignore)
