Reviewer's report

Title: New Canadian Natural Health Product Regulations: A Qualitative Study of How CAM Practitioners Perceive They Will Be Impacted

Version: 2 Date: 3 April 2006

Reviewer: moshe frenkel

Reviewer's report:

General as above

-----------------------------------------------

Major Compulsory Revisions (that the author must respond to before a decision on publication can be reached)

-----------------------------------------------

Minor Essential Revisions (such as missing labels on figures, or the wrong use of a term, which the author can be trusted to correct)

-----------------------------------------------

Discretionary Revisions (which the author can choose to ignore)

-----------------------------------------------

What next?: Accept without revision

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: No
