Reviewer's report

Title: Dietary Supplement Use Among Health Care Professionals enrolled in an Online Curriculum on Herbs and Dietary Supplements

Version: 1 Date: 12 May 2006

Reviewer: Roger Harrison

Reviewer's report:

General

________________________________________________________________________
Major Compulsory Revisions (that the author must respond to before a decision on publication can be reached)
The first paragraph of the discussion is simply a repeat of the results and is not necessary in this format.

________________________________________________________________________
Minor Essential Revisions (such as missing labels on figures, or the wrong use of a term, which the author can be trusted to correct)

________________________________________________________________________
Discretionary Revisions (which the author can choose to ignore)

What next?: Accept after minor essential revisions

Level of interest: An article of limited interest

Quality of written English: Acceptable

Statistical review: No
