Reviewer’s report

Title: In vitro antibacterial activity of some plant essential oils

Version: 3 Date: 7 November 2006

Reviewer: Mark Miller

Reviewer’s report:

General
Improved manuscript that will be well received despite its simplicity.

Major Compulsory Revisions (that the author must respond to before a decision on publication can be reached)

Minor Essential Revisions (such as missing labels on figures, or the wrong use of a term, which the author can be trusted to correct)

Discretionary Revisions (which the author can choose to ignore)

What next?: Accept without revision

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: No
