Reviewer's report

Title: Doctors views of complementary and alternative medicine (CAM) and its role within the NHS: an exploratory qualitative study

Version: 2 Date: 11 April 2007

Reviewer: Heather Boon

Reviewer's report:

General
Revisions are acceptable

Major Compulsory Revisions (that the author must respond to before a decision on publication can be reached)

Minor Essential Revisions (such as missing labels on figures, or the wrong use of a term, which the author can be trusted to correct)

Typos:
1. "importance" should be "imporant" in the last sentence of the background section of the abstract.
2. First line of the first quote in the "Hierarchy of acceptability" section: "site" should be "cite"

Discretionary Revisions (which the author can choose to ignore)

What next?: Accept after minor essential revisions

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:
I declare that I have no competing interests
