Reviewer's report

Title: Corticosterone mediates electroacupuncture-produced anti-edema in a rat model of inflammation

Version: 4 Date: 5 June 2007

Reviewer: Jian Kong

Reviewer's report:

General

------------------------------------------------------------------------------------------------------------------
Major Compulsory Revisions (that the author must respond to before a decision on publication can be reached)

------------------------------------------------------------------------------------------------------------------
Minor Essential Revisions (such as missing labels on figures, or the wrong use of a term, which the author can be trusted to correct)

------------------------------------------------------------------------------------------------------------------
Discretionary Revisions (which the author can choose to ignore)

The authors answered all questions and the reviewer has no other concerns.

What next?: Accept without revision

Level of interest: An article of outstanding merit and interest in its field

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:
