Reviewer’s report

Title: Perceived efficacy of herbal remedies by users accessing primary healthcare in Trinidad

Version: 3 Date: 19 January 2007

Reviewer: Dianne M Shumay

Reviewer’s report:

General

Major Compulsory Revisions (that the author must respond to before a decision on publication can be reached)
None noted

Minor Essential Revisions (such as missing labels on figures, or the wrong use of a term, which the author can be trusted to correct)
None noted

Discretionary Revisions (which the author can choose to ignore)
None noted

The authors have responded to my previous concerns in a satisfactory manner.

What next?: Accept without revision

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:
