Reviewer's report

Title: Mosquito larvicidal and antimicrobial activity of protein of Solanum villosum leaves

Version: 2 Date: 11 November 2008

Reviewer: José Pereira

Reviewer's report:

In my opinion the paper was very improved with reviewers’ comments. The paper could be accepted in the present form.

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.
