Re-review T.Horsley

Date: March 17, 2009

The authors have addressed all comments sufficiently and this is now ready for publication following my re-review.

Major Compulsory Revisions

None

Minor Essential Revisions

None

Discretionary Revisions

None. The original comment re: length and extraneous text is difficult to illustrate without copy-editing the entire manuscript. This is a stylistic comment, and as such, it is my recommendation to leave the text as is.

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.
