Reviewer's report

Title: Traditional Eye Medicine Use in an Ophthalmic Outpatient Population in South-eastern Nigeria: Socio-demographic and Clinical Correlates.

Version: 2 Date: 1 July 2009

Reviewer: Alexander Bialasiewicz

Reviewer's report:

This is a very well done report and warrants publication.

1. I personally do not believe in immediate positive effects of education, but this is the only way to go. Pharmaceutical governmental supervision may be another option to prevent harm.

2. Add a little statistics to one of the tables.

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.
