Reviewer's report

Title: Trop-2 protein overexpression is an independent marker for predicting disease recurrence in endometrioid endometrial carcinoma

Version: 4 Date: 10 October 2012

Reviewer: Emanuela Guerra

Reviewer's report:

The authors followed the reviewers' suggestions and the manuscript has been substantially improved.

My recommendation is that the paper should be accepted for publication in BMC Clinical Pathology

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:

I declare no competing interests
