Reviewer's report

Title: Segmental arterial mediolysis of left gastric artery: A case report and review of pathology

Version: 2 Date: 14 February 2013

Reviewer: Sanjeeva P Kalva

Reviewer's report:

The manuscript is well written. I suggest authors revise the statement about this being this first reported australian case. I suggest they remove it.

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.
