Reviewer's report

Title: The calcium-binding protein S100P in normal and malignant human tissues

Version: 2 Date: 3 July 2007

Reviewer: Ishtiaq Rehman

Reviewer's report:

The authors have addressed all of referee 3 comments sufficiently in the revised manuscript and I would therefore recommend that the manuscript be accepted for publication.

What next?: Accept without revision

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:
