Reviewer’s report

Title: Testing for hereditary thrombophilia: a retrospective analysis of testing referred to a national laboratory

Version: 2 Date: 11 December 2007

Reviewer: Joseph Caprini

Reviewer’s report:

This is an outstanding article which is also well written. I have no suggestions and recommend publication

What next?: Accept without revision

Level of interest: An article of outstanding merit and interest in its field

Quality of written English: Acceptable

Statistical review: Yes, but I do not feel adequately qualified to assess the statistics.
