Reviewer's report

Title: How are "teaching the teachers" courses in evidence based medicine evaluated? A systematic review

Version: 1 Date: 8 August 2010

Reviewer: Marjan Kljakovic

Reviewer's report:

There is some irony that well developed assessment tools for courses for EBM teachers are nowhere to be found. These authors are to be commended for identifying such an issue.

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.
