Reviewer's report

Title: Global Health Education: a cross-sectional study among German medical students to identify needs, deficits and potential benefits (Part 1 of 2: Mobility patterns & educational needs and demands)

Version: 4 Date: 17 August 2010

Reviewer: Karyn Baum

Reviewer's report:

There are a few minor grammatical issues, such as sentences with two periods at the end. Otherwise, the grammar is much improved compared to the initial draft.

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:
