Reviewer's report

Title: Student perception of two different simulation techniques in oral and maxillofacial surgery undergraduate training

Version: 2 Date: 23 August 2011

Reviewer: Ryuta Kataoka

Reviewer's report:

The authors address the previous review and the quality of the paper was improved. However, they mentioned only students' perception, the interests of readers are limited.

Level of interest: An article of limited interest

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.
