Title: Developing an online learning community for mental health professionals and service users: a discourse analysis

Version: 2 Date: 13 January 2012

Reviewer: Alan Simpson

Reviewer’s report:

This is an interesting and well-written paper. The authors appear to have addressed the comments of the reviewers satisfactorily. I only have two very minor suggestions for revision:

P4 Dingwall quote: missing “ at start of quote
P7 replace e.g. with for example

Level of interest: An article of insufficient interest to warrant publication in a scientific/medical journal

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.
