Reviewer's report

Title: The national portfolio for postgraduate family medicine training in South Africa: A descriptive study of acceptability, educational impact, and usefulness for assessment

Version: 2 Date: 20 January 2013

Reviewer: James Ware

Reviewer's report:

Educational impact of the Portfolio / third paragraph

Table 3, states 1-2 weekly, while the text refers to a frequency that is "at least every two weeks" these two seem in conflict and need clarification.

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:
