Reviewer’s report

Title: An integrative OSCE methodology for enhancing the traditional OSCE program at Taipei Medical University Hospital-A Feasibility Study

Version: 3 Date: 12 May 2013

Reviewer: Fabrizio Consorti

Reviewer’s report:

I’m satisfied with the review the Authors did.
I only suggest a language revision by a native English speaking consultant

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Needs some language corrections before being published

Statistical review: No, the manuscript does not need to be seen by a statistician.
