Reviewer's report

Title: Characteristic profiles among students and junior doctors with specific career preferences

Version: 2 Date: 10 June 2013

Reviewer: Fred C.J Stevens

Reviewer's report:

Compulsory revisions

I understand your response but if you include students and junior doctors in your sample then the report on the comparison of these groups is appropriate here, and not only interesting for a future paper

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:
