Reviewer’s report

**Title:** The national portfolio of learning for postgraduate family medicine training in South Africa: Experiences of registrars and supervisors in clinical practice

**Version:** 1 **Date:** 22 June 2013

**Reviewer:** Thirusha Naidu

**Reviewer’s report:**

Major revisions

1. Include author’s reflective perspective explicitly in the work.
2. Reorganise the results section to correspond with original aim of study.
3. Name themes more descriptively.
4. Give a more nuanced perspective on the discussion. Speculate and discuss complexity inherent in the data in relation to the available literature.
5. Present the results section in more detail to support validity.

**Level of interest:** An article of importance in its field

**Quality of written English:** Not suitable for publication unless extensively edited

**Statistical review:** No, the manuscript does not need to be seen by a statistician.

**Declaration of competing interests:**

I declare that I have no competing interests
