Reviewer's report

Title: How does the medical graduates' self-assessment of their clinical competency differ from experts' assessment? : A cross-sectional study

Version: 1 Date: 25 November 2012

Reviewer: Elke Birgit Ochsmann

Reviewer's report:

Please see attachment

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Needs some language corrections before being published

Statistical review: Yes, but I do not feel adequately qualified to assess the statistics.
