Reviewer's report

Title: How does the medical graduates' self-assessment of their clinical competency differ from experts' assessment? A cross-sectional study

Version: 2 Date: 4 February 2013

Reviewer: Elke Birgit Ochsmann

Reviewer's report:

The authors addressed all of my comments satisfactorily. I have no further reservations.

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:

I have no competing interests.
