Reviewer's report

Title: Evidence based practice in clinical physiotherapy education: A qualitative interpretive description

Version: 3 Date: 21 March 2013

Reviewer: Karin Hannes

Reviewer's report:

Last sentence of the context section on p 6: whether instead of if. The authors may wish to rephrase the sentence to include the core concepts of interest: belief, attitudes etc.

3th paragraph of the analysis section: replace 'normal' by 'a characteristic of'

The title from figure 1 is more of a summary statement. I would make it a bit more 'formal' e.g. Conceptual model on ....
