Reviewer’s report

Title: Delivery and use of individualised feedback in large class medical teaching

Version: 1 Date: 8 March 2013

Reviewer: Felise Milan

Reviewer’s report:

I did not organize my comments as above as they were only meant to be helpful for the authors going forward to know what they need to do for their next paper. This paper cannot really be revised for publication. See attached for comments

Level of interest: An article of limited interest

Quality of written English: Needs some language corrections before being published

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:

I declare that I have no competing interests.
