Title: Implementing statistical equating for MRCP(UK) Parts 1 and 2

Version: 2 Date: 13 July 2014

Reviewer: Mona Nasir

Reviewer's report:

Minor Essential Revisions
1. Limitations of the study should be mentioned

Discretionary Revisions
1. Lines 257 -297 may be moved into the Methods section since these are giving the details of analyses carried out.
2. The tables and figures may be moved in with the corresponding text for better alignment.
3. The headings of the tables and figures may be shortened since the details are already presented elsewhere in the text.

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: Yes, and I have assessed the statistics in my report.

Declaration of competing interests:
