Title: Curricular priorities for business ethics in medical practice and research: Recommendations from Delphi consensus panels

Version: 2 Date: 7 July 2014

Reviewer: Elaine J Ayres

Reviewer's report:

Minor Essential Revisions:

1. METHODS -- please add additional information on Qualtrics. Any reader should be able to immediately find out more about the system, or where to obtain it if necessary. Please add the following either as a parenthetical statement in the Methods section, or as a foot note: Qualtrics LLC, www.qualtrics.com, Provo, UT (site accessed July 3, 2014).

2. BACKGROUND -- Line 9 typo not fixed. "Education" should be "educate".

Level of interest: An article of importance in its field

Quality of written English: Needs some language corrections before being published

Statistical review: No, the manuscript does not need to be seen by a statistician.
