Reviewer’s report

Title: Managing Obstetric Emergencies and Trauma (MOET) Structured skills training in Armenia, utilising models and reality based scenarios

Authors:

Richard B Johanson (richard@kogs.freeserve.co.uk)
Vijay Menon (nicola@kogs.freeserve.co.uk)
Ethel Burns (eburns@brookes.ac.uk)
Eduard Karamany (nicola@kogs.freeserve.co.uk)
Vardges Osipov (nicola@kogs.freeserve.co.uk)
Musheg Israelyan (nicola@kogs.freeserve.co.uk)
Karine Sargsyan (nicola@kogs.freeserve.co.uk)
Sarah Dobson (nicola@kogs.freeserve.co.uk)
Peter Jones (p.w.jones@maths.keele.ac.uk)

Version: 2 Date: 26 Mar 2002

Reviewer: Dr Metin Gulmezoglu

Level of interest: A paper whose findings are important to those with closely related research interests

Advice on publication: Accept without revision

I now managed to go over the paper and the authors’ responses. I think they have responded satisfactorily to my comments
