Reviewer's report

Title: Evaluation of an inter-professional workshop to develop a psychosocial assessment and child-centred communication training programme for paediatricians in training

Version: 3 Date: 4 November 2004

Reviewer: Sandra van Dulmen

Reviewer's report:

General
Clarifications and corrections are accepted. Please only correct reference number 6. Patient Education & Counseling instead of Counselling and number 7. Van Dulmen AM instead of Van Dulman A.

-----------------------------------------------------------------------------------------------

Major Compulsory Revisions (that the author must respond to before a decision on publication can be reached)

-----------------------------------------------------------------------------------------------

Minor Essential Revisions (such as missing labels on figures, or the wrong use of a term, which the author can be trusted to correct)

-----------------------------------------------------------------------------------------------

Discretionary Revisions (which the author can choose to ignore)

-----------------------------------------------------------------------------------------------

What next?: Accept without revision

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: No
