Reviewer's report

Title: Learner satisfaction and receptivity with a restructured pedagogic model case-based learning and practical activities parallel to the theoretical class programme

Version: 2 Date: 13 September 2004

Reviewer: Stefan Herzig

Reviewer's report:

General
The Ms. has been somewhat improved regarding scope and limitations. However, the methodological concerns outlined under Majro compulsory revision No.1-4 have not been addressed by proving data or discussion.

________________________________________________________________________

Major Compulsory Revisions (that the author must respond to before a decision on publication can be reached)
The same major compulsory revisions No. 1-4 as outlined in my previous report still have to be addressed.

________________________________________________________________________

Minor Essential Revisions (such as missing labels on figures, or the wrong use of a term, which the author can be trusted to correct)
None

________________________________________________________________________

Discretionary Revisions (which the author can choose to ignore)

What next?: Reject because too small an advance to publish in any journal

Level of interest: An article of limited interest

Quality of written English: Acceptable

Statistical review: No

Declaration of competing interests:
None
