Reviewer's report:

General

-------------------------------------------------------------------------------
Major Compulsory Revisions (that the author must respond to before a decision on publication can be reached)
-------------------------------------------------------------------------------

Minor Essential Revisions (such as missing labels on figures, or the wrong use of a term, which the author can be trusted to correct)

Background
2nd last line of 2nd last paragraph: change PBL class to PBL tutorial.

Methods
2nd paragraph; About three-quarters down, replace PBl class with PBL tutorial.

Results
2nd paragraph. Should a reference to Table 1 not go into this paragraph?

Table 3. Reflects Mean Ranks but text has mean ratings. Table 2 has both, so might be appropriate to use both in Table 3.

-------------------------------------------------------------------------------
Discretionary Revisions (which the author can choose to ignore)
If these are undertaken, the manuscript should be fine to go to the editorial team.
