Reviewer's report

Title: Isolated rural general practice as the focus for teaching core clinical rotations to pre-registration medical students.

Version: 1 Date: 28 March 2005

Reviewer: patrick joseph farry

Reviewer's report:

General

-------------------------------------------------------------------------------

Major Compulsory Revisions (that the author must respond to before a decision on publication can be reached)

-------------------------------------------------------------------------------

Minor Essential Revisions (such as missing labels on figures, or the wrong use of a term, which the author can be trusted to correct)
Two spelling and two gramar mistakes on pages 2 and 4

-------------------------------------------------------------------------------

Discretionary Revisions (which the author can choose to ignore)

What next?: Accept after minor essential revisions

Level of interest: An article of importance in its field

Quality of written English: Needs some language corrections before being published
