Reviewer's report

Title: Doctor-patient interaction in Finnish primary health care as perceived by first year medical students

Version: 2 Date: 8 August 2005

Reviewer: Kirsti Lonka

Reviewer's report:

General

The authors have responded to my earlier criticisms in an acceptable way.

-----------------------------------------------------------------------------------

Major Compulsory Revisions (that the author must respond to before a decision on publication can be reached)

-----------------------------------------------------------------------------------

Minor Essential Revisions (such as missing labels on figures, or the wrong use of a term, which the author can be trusted to correct)

-----------------------------------------------------------------------------------

Discretionary Revisions (which the author can choose to ignore)

What next?: Accept without revision
