Title: Long-term Impact of Four Different Strategies for Delivering an On-line Curriculum about Herbs and Dietary Supplements

Version: 2 Date: 18 July 2006

Reviewer: John M Harris Jr.

Reviewer’s report:

General

This paper is now tighter and the duplicative background information has been removed. It remains well written and can, in my opinion, be published as is.

Major Compulsory Revisions (that the author must respond to before a decision on publication can be reached)

None

Minor Essential Revisions (such as missing labels on figures, or the wrong use of a term, which the author can be trusted to correct)

None

Discretionary Revisions (which the author can choose to ignore)

None

What next?: Accept without revision

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: No
