Version: 2 Date: 31 July 2006

Reviewer: Carlos Brailovsky

Reviewer's report:

General
The authors did all the modifications I have asked for and the paper should be accepted for publication

--------------------------------------------------------------------------------

Major Compulsory Revisions (that the author must respond to before a decision on publication can be reached)

--------------------------------------------------------------------------------

Minor Essential Revisions (such as missing labels on figures, or the wrong use of a term, which the author can be trusted to correct)

--------------------------------------------------------------------------------

Discretionary Revisions (which the author can choose to ignore)

What next?: Accept without revision
