Title: Perceptions on the Importance of Gerontological Education by Teachers and Students of Undergraduate Health Sciences: An Exploratory Study

Version: 3 Date: 8 January 2007

Reviewer: Laura Diachun

Reviewer's report:

General
Tremendously improved.

Major Compulsory Revisions (that the author must respond to before a decision on publication can be reached)
Nil

Minor Essential Revisions (such as missing labels on figures, or the wrong use of a term, which the author can be trusted to correct)
The discussion while greatly improved grammatically, still has several errors which should be corrected prior to publication.

Discretionary Revisions (which the author can choose to ignore)

What next?: Accept after minor essential revisions

Level of interest: An article of importance in its field

Quality of written English: Needs some language corrections before being published

Statistical review: No, the manuscript does not need to be seen by a statistician.
