Reviewer’s report

Title: Evaluation of a learner-designed course for teaching health research skills in Ghana

Version: 2 Date: 14 March 2007

Reviewer: Gerard Majoor

Reviewer’s report:

General
The authors have metaculously responded to the comments of the referees so I am perfectly happy with the current version of the paper.

-------------------------------------------------------------------------------
Major Compulsory Revisions (that the author must respond to before a decision on publication can be reached)
None

-------------------------------------------------------------------------------
Minor Essential Revisions (such as missing labels on figures, or the wrong use of a term, which the author can be trusted to correct)
None

-------------------------------------------------------------------------------
Discretionary Revisions (which the author can choose to ignore)
None

What next?: Accept without revision

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:
