Reviewer's report

Title: Medical theses as part of the scientific training in basic medical and dental education

Version: 6 Date: 3 October 2007

Reviewer: Ana Marusic

Reviewer's report:

General:
The authors have sucessfully addressed my queries and comments.

Major Compulsory Revisions (that the author must respond to before a decision on publication can be reached)

Minor Essential Revisions (such as missing labels on figures, or the wrong use of a term, which the author can be trusted to correct)

Discretionary Revisions (which the author can choose to ignore)

What next?: Accept without revision

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:
I declare that I have no competing interests in re-review of this manuscript.
