Reviewer's report

Title: Even one star at Alevel could be "too little too late" for medical student selection.

Version: 2 Date: 12 February 2008

Reviewer: Jeremy Smith

Reviewer's report:

I feel that the authors in the paper or in their separate comments to the referees have address all of the comments appropriately.

Major Compulsory Revisions
None

Minor Essential Revisions
None

Discretionary Revisions

On p.5 the paragraph starting "For whatever reasons..". The authors may want to make it clear theees are medical school applicants and entrants.

What next?: Accept without revision

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: Yes, and I have assessed the statistics in my report.
