Reviewer's report

Title: Identifying outcome-based indicators and developing a curriculum for a continuing medical education programme on rational prescribing using a modified Delphi process

Version: 2 Date: 19 March 2008

Reviewer: John Yaphe

Reviewer's report:

To the editor,

I am satisfied that the authors have carefully considered the comments of both reviewers and have made the necessary changes. I look forward to publication of this paper.

Sincerely,

John Yaphe MD

What next?: Accept without revision

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:

I declare that I have no competing interests.
