Reviewer's report

Title: Drivers for change in primary care of diabetes following a protected learning time educational event: interview study of practitioners

Version: 2 Date: 18 December 2007

Reviewer: Charles Campion-Smith

Reviewer's report:

I feel happy that the authors have modified the paper in the light of both reviewer’s comments and that it should now be accepted for publication without any further change

What next?: Accept without revision

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.
