Reviewer's report

**Title:** An Analysis of Lecture Video Utilization in Undergraduate Medical Education: Associations with Performance in the Courses.

**Version:** 1 **Date:** 9 November 2008

**Reviewer:** Jennifer Cleland

**Reviewer's report:**

This is a simple and useful study. Much effort goes into putting resources on line and it is critical to review how these are used by students. This study adds to the body of knowledge.

**Level of interest:** An article whose findings are important to those with closely related research interests

**Quality of written English:** Acceptable

**Statistical review:** Yes, and I have assessed the statistics in my report.

**Declaration of competing interests:**

I declare that I have no competing interests.
