Reviewer's report

Title: A randomised-controlled trial of two educational modes for undergraduate evidence-based medicine teaching and learning

Version: 2 Date: 17 August 2009

Reviewer: Henry Mandin

Reviewer's report:

I have read the new manuscript that incorporates the revisions suggested, and am satisfied with the changes.

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: Yes, but I do not feel adequately qualified to assess the statistics.

Declaration of competing interests:
