Reviewer’s report

**Title:** Identifying Structures, Processes, Resources and Needs of Research Ethics Committees in Egypt

**Version:** 1  **Date:** 4 May 2010

**Reviewer:** Ann Gallagher

**Reviewer’s report:**

This is a well-written article which is suitable for BMC Medical Ethics. The article reports a survey of Egyptian Research Ethics Committees.

The work is well-structured, the research design clear and findings approached critically.

I recommend proof reading to correct minor errors.

**Level of interest:** An article whose findings are important to those with closely related research interests

**Quality of written English:** Acceptable

**Statistical review:** No, the manuscript does not need to be seen by a statistician.

**Declaration of competing interests:**

I declare I have no competing interests.
