Reviewer's report

Title: Caught you: Are anonymized human samples really anonymous?

Version: 1 Date: 25 January 2010

Reviewer: Leonardo D. de Castro

Reviewer's report:

Minor Essential Revisions:

Text introduced as "intercept" can be integrated seamlessly into the paper in order to create a smooth flow of the text.

Sixth line counting from the bottom on page 5, the first "be" should be deleted: "may be well be"

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:
